

Host a Table at the Gala
Helping Link/Một Dấu Nổi Annual Benefit Gala
“Strength in Numbers”
VIP Check-in at 5:00pm

As a **Host Captain**, you are incredibly important to the success of our anniversary gala. You are vital in helping us raise money to sustain Helping Link’s programs. Your name will be recognized in the program and our website as a Host Captain.

There are several options to becoming a Host Captain, including:

- Purchase a table of eight seats for \$800 (\$100 per person) or make your table a VIP* table for \$1,000 (\$125 per person)
- Join with another person to Co-captain a table by each purchasing half a table (4 seats at \$400 or \$500 for a VIP* table)
- Purchase a ticket for yourself and fill the rest of your seats by encouraging your network to buy a ticket at your table

As a **Host Captain**, you will be representing Helping Link throughout the evening and your responsibilities include:

- Ensuring your table is full with 8 guests supporting Helping Link. Tickets can be purchased at the following link: <https://helpinglinkannualgala.brownpapertickets.com>
- Encourage people at your table to “Raise-the-Paddle,” buy Balloon Pop items, and pledge to the Dessert Dash!

Please email events@helpinglink.org with the option you select by September 26, 2019 so we can reserve a table for you and ensure that your name is included in the program.

Proceeds will enable Helping Link - Một Dấu Nổi to continue providing much-needed services and programs such as computer instruction, youth tutoring, ESL, and citizenship exam preparation, to Vietnamese-American families in need.

**VIP includes special seating, swag bag, and unlimited wine.*
